HOT OFF THE PRESS

VOLUME 2 ★ ISSUE 5 ★ SEPTEMBER 2012

THANK YOU, IAN!

Ian Miller, who recently retired as chairman and moved to the restful environs of Whitley Bay with his wife, Una, will be greatly missed in the community at large but especially by the CYMP committee. God blessed us with a chairman whose calm efficiency was matched by his ingenuity, wisdom and persuasiveness.

Ian takes with him our sincere thanks for his 100% commitment to CYMP, its people and its objectives and we wish him all the very best for the future. He will be a very hard act to follow.

Ian is pictured with two members of the Catering Team, Lana and Mollie, at *Go for Gold*, this year's Holiday Club.

Many thanks to the great team of volunteers who went for gold!

Craig describes his experience of the week...

I had an amazing week being involved in Radiate's holiday club. I was a team leader for Go for Gold in the morning. This was fantastic, as I was welcomed by all the helpers who worked together so well from first thing until lunch and all the time in between. I enjoyed getting down with my team and learning from the Bible – so much was learned from the apostle Paul. And our team – team America – won!

The 3 football sessions that week turned out to be very successful. I had the opportunity to coach young people from the community. We worked on different skills and had a final tournament on the Thursday. Our numbers were so encouraging – the other leaders and I are already planning next year's sporting outreach.

Youth Café was brilliant. The use of the church facilities and The Gateway allowed for a great number of young people to socialise and take part in lots of activities. I enjoyed the outdoor games of *halo* with the senior boys and girls. Seeing them work together, and using the gifts and abilities God has given them, was a real joy.

All in all, it was a great week seeing God at work through an amazing group of people of all ages.
